

FOREFLIGHT WINGX FLYQ and GARMIN PILOT EFB USAGE WORKSHOP

3 hour, hands on workshop covering use of the following electronic flight bags: Foreflight, WingX Pro, FlyQ, and Garmin Pilot. Participants will be grouped according to proficiency - novice, intermediate, advanced. **YOU MUST BRING A DEVICE LOADED WITH THE LATEST VERSION OF ONE OF THE FOUR APPLICATIONS THAT WILL BE COVERED.** This workshop does NOT cover the use of your iPad/Android device. Participants should be familiar with the general usage of their device.

Directions: The West-Mec Central Campus is located at the corner of Glendale Ave and Glen Harbor Blvd. For fly-in participants you will need to exit the airport through the terminal and then walk North on Glen Harbor for 1/4 to 1/2 mile. Signs directing you to the event will be placed strategically in the parking area.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
